### Indonesia - Singapore - Malaysia September 2004

**Ministry in Indonesia**

**Crusade in Tagulandang**

Ministry consisted of a two night crusade with approximately one thousand in attendance each night in Tagulandang, an island of 18,000 in Indonesia, television broadcasts and ministry in eight churches in Malaysia, Singapore and Indonesia. Many

were healed and over five hundred came forward to receive Jesus as savior. Our team consisted of the following:

The crusade meetings were held in Tagulandang, an island of Indonesia. Approximately one thousand attended the outdoor crusade each night.

The team consisted of the following: Pastor/Evangelist David Madison (Foundation Ministries World Outreach) USA

Pst. Xavier Dawes (Tabernacle of Holiness), Sis. Lois Nga (Tabernacle of Holiness), and Patrick Putra Piay (Tabernacle of Holiness), Singapore

Organizing Committee: Yayasan Oikumene Cip-taan Baru, Manado. (New Creation Ecumenical Foundation, Manado)

Coordinator: Ibu Martini Sinaga, Pak Bonor Leonard Sinaga and team of 29: interpreters, worship team, intercessors, pastors, video cameramen and the many unseen who helped.

Crusade Testimonies – A little girl with a swollen stomach was prayed for by Pst. David. Glory to God, before we left Tagulandang the next day, it was reported that the bloating had reduced tremendously; she had passed out wind and urine, was sitting up and could eat. Her mother gave this testimony

**Baby Healed**

A blind man was seeing white after prayer. He was not able to see anything prior to prayer. What the Lord begins he will finish. A young lady with her eye closed from birth. After prayer her eye was opening and she was seeing for the first time.

**Tagulandang Crusade  
Alter Call for Salvation**

Before leaving for the port to take the ferry back to Manado, we had the opportunity to bless the owner of the house we had stayed in; also, Pst. David and Pst. Xavier went with Ibu Martini, our host, to pray for a young lady of about 24. She had been vomiting for about two months. Her brother had vowed that if God healed his sister, he would serve Him. She recovered and we heard reports that she was now able to eat, whereas before she

was unable even to retain water. The entire family received Jesus, Glory to God!

In Manado, Indonesia at one outdoor service, the crowd of around 300 was prayed for by the team. There were many salvations, healings, and deliverances, for instance, a young man with an unclean spirit moving around his leg was set free; migraines and arthritis were cured instantly. All

praise and thanksgiving go to our mighty God.

In one service so powerful and convincing was God's anointed word that over 200 surged forward at the salvation call. And many more came to be healed of all sorts of illnesses: arthritis, depression, stroke, blind and deaf, hernia, womb problem, emotional hurts, all pressed forward for a touch of the Lord. One beautiful lady, blind in one eye - I literally saw her right eye, closed from birth, open by degrees. When asked if she could see, she replied, "Terang!" meaning "Clear!" Glory to God! As God's Word went forth, with power and anointing, His glory was revealed that night. It was truly exciting to see God's power and anointing flow so magnificently through His humble vessels.

**Manado Outdoor Crusade  
Over 200 make a commitment to Jesus**

Pastor David shared with about 80 key pastors and intercessors a vision he had flying over from the U.S. to Singapore while he was in Tokyo, Japan. He saw a huge dragon in the ocean. At first he thought it was about either Tokyo or Singapore, but then after certain confirmations while at Manado, he was sure it concerned Manado – which gave an important key as to how they should intercede for the region. First, as a background, Pst. David shared on Deu. 29:29 – that the secrets God chooses to share with His church, now belong to them, and they must take the responsibility to decree it back to the spiritual realm and take authority in the Name of Jesus. He showed through many scriptures from Job, the Psalms, Isaiah, Ezekiel as well as Revelations how 'leviathan' is actually Satan or the dragon which he saw in that vision while in Tokyo. Satan has raised up 7 high mountains – high places of worship to himself. The center of one of these is in Manado. Just as the church are the 'living stones' of the Lord, Satan has built

a foundation wall many layers deep into the sea. These are demon spirits, Satan's building blocks guarding and preventing the Gospel from entering and going out to the Far East. This wall encompasses the whole of S.E. Asia, including China, Singapore, Indonesia, and Australia. God wants to burn a hole through this wall and form a path to Manado to the East for the Gospel. (Mark 11:23-24)

**Pastor David Madison ministering in Manado Indonesia to 80 Key Pastors and Intercessors.**

The key to demolishing this demonic foundation is the prayer of agreement to bind the strongman (Luke 11:22; Lev. 26:8 "Five of you shall chase a hundred..") The Manado intercessors were then challenged to make a commitment to come together to pray and release God's power, the fire of God to open a hole in this foundation to effect CHANGE. Pst. David warned that if the church lags behind, after binding and loosing, and there is no Holy Spirit revival, then the devil has a legal right to return bringing along more devils and the state of the land will be 7 times worse.

Prayer was then released in unison for forgiveness and protection for all present and their families. We then came against the spiritual wall, and the foundation of the false mountain on the East side, and released God's power to open a hole in the foundation of this eastern wall to burn a hole all the way to Manado. We asked God to release His angelic forces from heaven and to send forth revelations to the islands, China, Indochina, and all the nations that are bounded by this false mountain. We released the Gospel to go forth. Halleluyah!

The time ended with personal prayer for pastors

and intercessors. Ibu Martini, in closing, solemnly reminded Ciptaan Baru members to remember their commitment to pray. I was informed that the Ciptaan Baru intercessors meet twice a week at their two prayer houses (rumah doa) , and also daily prayer was offered in different locations from 8-12noon.

Ministry in Sri Lanka, an island nation of twenty million, was conducted in the following cities, Colombo, Vavuniya and Potonnatuwa.

**Sri Lanka June 2005**

Our team consisted of the following persons: Pastor David Madison – United States, Evangelist Frank Passe de Silva– Australia, Pastor Nihal de Silva – Sri Lanka

Ministry consisted of teaching in the Word of Faith Bible School in Colombo, ministry in fifteen churches throughout Sri Lanka and ministry in a Spiritual Warfare Conference with over one hundred fifty pastors in attendance. Below is a short recap of the trip to Sri Lanka. The Lord showed his self strong bring salvation and healing to many. Most were healed instantly.

- Several ladies with breast tumors/cancers were healed. The tumors disappeared instantly. The women were asked to wait in front after prayer and tell us when the growths were completely gone.

- One boy had a cancer sore on his throat. This cancer had been previously removed by an operation but had returned. He would not let anyone touch it because of the pain. The Lord healed it and 5 minutes after prayer it was completely gone. I watched the whole healing process take place and I saw the cancer quit oozing and become smaller and smaller until it had completely disappeared.

- One man had a large hernia in his abdomen. The hernia was gone five minutes after prayer. I asked him to remain next to me and put his hands on the hernia until he could feel that it was completely gone. He gave testimony that the hernia had completely disappeared. Glory to God.

**Streams of Healing in Potonnatuwa**

Man with polio was healed. He had feeling in his arms and legs that he had not had since he was a small child.

- A man came forward for prayer. His shoulder was out of its socket. While praying the man's shoulder popped loudly and the man began to move his arm in a circular motion. He was healed instantly.

- A man and a woman with white skin rashes that would not heal were healed. The skin changed color to black (skin color) as we watched. This happened in churches in two different cities.

- Two young boys with large boils on their faces

**Ministering in Jerusalem Church of God in Vavuniya, Sri Lanka**

could not be cured. I placed my hands on the boils and when my hands were removed the boils were completely gone.

- Many deaf (at least 10) and blind (at least 5) were also healed instantly. Mostly the ears and eyes opened after two or three commands in the Name of Jesus

- One deaf lady was not being healed and our interpreter noticed she was wearing a charm around her neck. This was a Buddhist charm for protection. We instructed her to remove her charm and as soon as she removed the charm her ear popped open. A lady brought her child for prayer and the child had these charms and colored strings around the waist and forearm. As soon as these were removed the child was instantly healed.

- Many, many other healings took place. Headaches, arms, knees and back pain all left instantly. In a few churches not many were healed but in several churches everyone requesting prayer were healed. Jesus healed them all.

- Some were healed merely by the laying on of hands. It was not necessary to pray only to touch the people. Mark 6:56 (NKJV) Wherever He entered into villages, cities, or in the country, they laid the sick in the marketplaces, and begged Him that they might just touch the hem of His garment. And as many as touched Him were made well.

- The prophetic gift was very pronounced. Over thirty received prophecies at the close of the teaching in Word of Faith Bible School. Around thirty pastors came forward and received prophecies at a Spiritual Warfare Conference.

The Lord opened another door to some large churches in and around Sabah Malaysia.
