April 2002

Pam and I just completed another missions trip to Peru. We met with Pastor Marco Llinella in Lima. Our team consisted of the three of us. We were in Peru from March 11 to March 27, 2002. We ministered in churches in Lima and in the jungle city of Pucallpa. We also ministered on the streets of Lima and in the maximum security prison in Lima. Two videos were made for TV and broadcast from Pucallpa through various parts of Peru. The Lord is so gracious. The Lord brought at least 414 souls into His Kingdom during this trip. The evidence that Jesus is alive and has been raised from the dead are these signs that the kingdom of God is among us and within us through Jesus Christ our risen Lord and Savior.

This is what we are celebrating on Easter that Jesus Christ has risen from the dead.

The Lord blessed and ministered to all the pastors with prophetic words. I heard many positive testimonies of confirmations by the Pastors of things the Lord had been speaking to their hearts. Only the Lord knew the things that were revealed to the pastors.

Luke 7:22 (NKJV) Jesus answered and said to them, "Go and tell John the things you have seen and heard: that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, the poor have the gospel preached to them.

Total Salvations during this missionary trip		414

Some of the miracles that occurred are below:

- Salvations - Four hundred fourteen (414) souls received Jesus.

- Salvations - A witch doctor and his wife were saved.
- Deaf - Seventeen deaf people were instantly healed. I think every deaf person we prayed for was healed instantly. One young boy was brought forward for prayer by his mother. Both had just received Jesus. The mother had papers from the doctors. The doctors could not find why he could not hear in his right ear. He was totally deaf in this ear. The mother had the papers for her son to be admitted to the hospital for exploratory surgery. The boy's ear popped open instantly.

Both the boy and another young man standing behind the boy began to weep when the miracle occurred. One family brought their father up for prayer after the service. The father was totally deaf. He did not hear the call for prayer because of his deafness and did not come forward for

prayer. Both ears instantly popped open and he could hear.

- Blind - Three totally blind and 5 almost blind were healed instantly. Almost one hundred percent of the blind or near blind were healed instantly.
- Mute - Two mute were healed. One young boy approx. ten years old was brought forward for prayer. He was deaf and mute. He had not heard anything and had not spoken anything from birth. After prayer he grabbed his head and began to smile for he was hearing for the first time in his life. He repeated words back to us so we were sure he was completely healed.

- Crippled Walk - Demons are cast out. - One lady had to walk with a crutch and could only

use one leg to walk. She was delivered and was instantly healed and left the service walking normal.

- Lame Walk - One 11-year-old girl was lame from birth. The doctor damaged her spinal column at birth. She walked with her leg twisted inward. The Lord healed her spinal column and straightened her leg. She was healed and walked normal.

- Hernias – Two persons gave testimony that hernias and pain left after prayer.

- Tumors and Cancers - Four with tumors were healed. One young lady came forward for prayer for a tumor on her breast. She had just received Jesus a few minutes before. After

prayer we asked her if the tumor was still there. She examined where the tumor had been and she could not find it. She asked her mother to examine her. Neither the young lady nor her mother could find the tumor. Both began to weep. We told them to give glory to Jesus. Two others had tumors in their buttocks that instantly disappeared after prayer.

- Demons are cast out – In one service many youth were delivered of various demon spirits. The demons cried out as they came out. There were at least 20 delivered in this service alone. People were delivered and set free in every service.

- Various maladies - One missionary had been fasting and praying for the Lord to heal him of gastritis for over three years. He felt fire in his stomach and wind gush from his stomach and he was instantly healed.

- Various maladies - One man felt fire go into his internal organs twice and God healed his infirmity. One young man had an infection in his right ears for years and was not being healed. After prayer he felt fire in his head and hot air

blowing from his ear. God burned out the infirmity and he was healed instantly.

- Various maladies - Many others were instantly healed of migraines, back pain, throat conditions, bone and spine conditions, arthritis, kidney stones, gastritis, and many other maladies.

We are only stating the confirmed testimonies of persons healed instantly by the Lord Jesus Christ. Hundreds more raised their hands indicating they were healed of various maladies. To God be the glory and honor and praise. Jesus is alive and raised from the dead.

The Lord is continuing to demonstrate His Word with signs and miracles and wonders following. We are excited to be serving a powerful living God of the miraculous.
