Ministry of Word

We ministered in several churches in Sydney and Wollongong. The Lord manifested His Glory, saved some and performed the following miracles. We ministered in nine churches in two cities in Australia.

Greetings from David in Australia

- ▶ In one church, a lady saw fire shooting from my back coming out of me and shooting toward the people. She said it looked like balls of fire hitting various individuals. The Pastor and worship team were slain in the Spirit for the entire service. Another man came forward and requested to touch my back, he said he saw something shooting out of my back. He said it looked like fire boiling on my back. Sounds like the Book of Acts.
- ▶ A lady was healed of palsy. She had the palsy since she was 8 years old. The Lord also healed her of cancer.
- ▶ A lady had tried to commit suicide many times. She was seeing a spirit and he was continually speaking to her. She received Jesus as her saviour and set free from this spirit. Power of God manifested.

- Many testimonies, they did not believe the power of God was real but now they do.
- An alcoholic was saved and slain in the Spirit many times. He did not understand what was happening to him so he kept trying to get up but could not. We received this testimony one

month after we returned to the United States.

- Jenny, a lady from the islands, was in prayer prior to the meeting. She saw a vision of a house on fire and saw a map showing her the location of the house. The Holy Spirit told her to go to the meeting. When she arrived she saw the walls burning with the fire of the Lord. This testimony is like it was in the Book of Acts.
