Pam and David Madison

Called by the Lord to the nations in 1989, and in particular South and Central America. As of this date, have made twenty-three missionary trips ministering in the following countries: Argentina, Brazil, Chile, Costa Rica, Curacao, Ecuador, Guatemala, Honduras, India, Jamaica, Mexico, Netherlands, Nicaragua, Peru, Spain, and Uruguay. Have ministered in both Argentina and Peru from the extreme south to the extreme north in churches ranging in size to six thousand. Ministry is to win souls to Jesus and minister to the Body of Christ. The preaching and teaching are for the edification of the Body of Christ; however,

many souls are saved as a result of the signs that accompany the preaching of the Word. The Lord usually moves in the prophetic for the church and the church leadership. Many in the five-fold ministry receive a new and fresh anointing for ministry. Many are called into the five-fold ministry as the Lord challenges them as they observe the power of God in operation. Many testimonies are received from pastors and evangelists of the dramatic increase in the level of the anointing and of the power of as they minister to others.

Some of the testimonies and signs that have occurred are:

Ministering in Argentina

- A young girl could not walk from birth was healed instantly of a clubfoot where the bone protruded from the leg.
- Deformed legs, feet, bones and spinal columns have been instantly healed after prayer.
- Witches and Witch Doctors have been delivered and set free by the power of God.
- The blind and deaf are being healed in every service. Many deaf and mute from birth have been instantly healed. One lady 40 years old deaf and dumb from an automobile wreck when she was 3 years old was instantly healed. Two weeks after the Lord healed her she was learning to speak words she had

never heard.

· A man was healed of a large tumor on his back (hunchback).

· A young man with a few months to live was healed of AIDS. After prayer, he was medically tested and the doctors could find no trace of the disease.

· Female disorders, stomach and internal infirmities are being healed.

· A man walked out of a service after being bedridden for two years.

· Cancers, tumors and hernias have instantly disappeared after prayer.

· Some other testimonies of healing are gastritis, fevers, flat feet, deformed hands, heart disease, insomnia, straightened and filled teeth and other signs.

· Many people have been healed of tumors, cancers, arthritis, depression and other maladies as the demons come out.

· The churches are most always refreshed and on fire with the joy of the Lord.
