Netherlands Missions Trip Update

David and Pam send Greetings from
Amsterdam

Pam and I just completed our first Missions Trip to the Netherlands. The Lord Jesus is still on His throne and revealing His saving and miracle working power. We ministered in Churches in the following cities in Holland: Almeer, Alkmaar, Amsterdam and Eindhoven. God proved faithful as souls were saved and added to His Kingdom, lives were changed by the miracle working power of God and by the ministry of the prophetic word.

Some of the testimonies of instant miracles were healed knees, shoulder healed of bursitis, two

healed of whiplash, lady with mental fatigue and imbalance healed, many backs were healed, ear infection healed, necks were healed, and many migraine headaches were healed.

One man was almost blind in one eye and was healed. He came asking for prayer for something else and God healed his infirmity. God is so good. The man had an appointment with the doctor the next day. The doctor tested his eyes and his eye was completely healed. In one service over fifty people received prophetic words. The testimonies indicated these prophetic words were encouraging and very accurate. One man wanted counseling thinking the Lord had revealed all things about his life. I assured him it was the Holy Spirit that revealed to him the prophetic word and that I did not even remember what was told him. I told him to make an appointment with his pastor to receive counseling because while in this church I was under the authority of the pastor. God is so good.

A lady asked for prayer for her neck and lower spine. She was suffering from deteriorated discs. We prayed and asked her to move her head. She said she felt like she was very light in the back of her neck. She began to move her head from side to side freely. God healed her neck but her lower back was still the same as before. We

prayed again for her back and she felt the same light sensation on her lower back. We asked her to bend down to see if she was healed. She said she could never rise after kneeling without assistance but this time she was able to rise by herself. She was totally healed by the power of

God. Her only recourse would have been an operation but God did a miracle.

We are grateful to Pastors Bram Moelker, Arthur and Ursula Millerson, George Arthur and Daniel Riok for allowing us to minister in their churches.

These pastors originally were all from different nations, representing Holland, Surinam, Ghana and Nigeria. This was the most diverse cultural mission's trip we have been on. God is so good.

We want to thank you for your prayers and financial support. The Lord is continuing to open up new doors for ministry. The nations that are currently opening to us are Peru, Chile, Costa Rica, Nicaragua, Brazil, Surinam, Curacau, Trinidad and some others.
