Ecuador Update October 2001

Pam and I were in Guayaquil, Ecuador on September 11, having breakfast, when we heard of the devastating attack on our country. Our thoughts were immediately to rush home to our friends and families. Praise God, we were able to resist the mental anguish and complete the trip the Lord had called us to. As a result we saw the Lord do many mighty miracles. There were at least 228 persons accepting Jesus Christ as their savior for the first time, and many healings and miracles.

One major highlight of the trip was when our schedule was rearranged and the city of Ventanas called us back to hold an open-air campaign on Sunday Morning, September 23, 2002. The city shut down the city square and held a peace rally in honor of the United States. There were approximately 2,000 persons present at the rally. The mayor made a speech of support for the United States and the people attending the rally waved banners and flags in support of the United States and peace. Pam and I were the guests of honor. The mayor and city officials asked us to take this message back to the United States –

Peace Rally in Ventanas Ecuador for the United States on September 23, 2001 after 9/11

“The City of Ventanas and all of Ecuador is grieving for the tragedy that occurred and are in support of the people of the United States and are praying for us”.

Pastor Madison preached the gospel at the Rally. Sixteen received Jesus and the Lord performed many miracles. Estimated Crowd was over 2,000.

I was asked to pray a prayer for peace and reconciliation. I preached an evangelical message and sixteen persons received Jesus Christ in this predominately Catholic city. The English translation of the city name “Ventanas” is window. Ventanas is in the Province of “Rio” which means River. The Lord gave me the message on the platform just prior to preaching. The windows of Heaven are open in Ventanas and the River of God is flowing. The mayor and city officials listened to the entire message. Praise God for His grace and goodness. At the end of the service when the call for people to accept Christ was given, many also came forward for healing. There were many instant miracles. I had these people give their testimony over the P.A so all could hear of the wonders of God. When the people heard the testimonies, others came forward for prayer.

I know God did much more in the Spiritual realm than was visible to the eye.

We ministered in the cities of Guayaquil, Ventanas, Catarama and Milagro. The Lord allowed us to minister in many Church of God Churches and one Assembly of God. Most of the campaigns were outside on blocked off street corners. One campaign was in a rented coliseum. There were 2,000 in attendance.

The Lord ministered to all the pastors with prophetic words. Some of the miracles that occurred are indicated below:

- Two hundred twenty eight (228) souls received Jesus.
- Two deaf ladies were instantly healed.

God performed a miracle and opened the ears of a lady 40 years old. According to relatives, she lost her hearing in an automobile wreck when she was 3 years old. Two weeks later we met her again and she was speaking words for the first time

- Two blind ladies were instantly healed.
- One 12-year-old girl lame from birth was instantly healed and walked normal for the first time in her life. Her bones were twisted and foot turned so she walked on the side of her foot. God did a miracle and reshaped her bones and straightened her foot.

- Two men with hernias. Hernias disappeared during prayer.
- At least three people with tumors and cancers were healed. Tumors instantly disappeared.
- Girl with Anorexia was instantly delivered and healed. The demons cried out as they left her body.
- Many others were instantly healed of migraines, back pain, throat conditions, bone and spine conditions, arthritis, kidney stones, gastritis, and many other maladies.
- In one service 75 people of the 250 people present raised their hands that God had healed them.

The Lord is continuing to demonstrate His Word with signs and miracles and wonders following. We are excited to be serving a powerful living God of the miraculous.
