September 2000

David and Pam Madison have just completed two foreign missions trips to India and Central America. The Lord moved mightily. In India seventy persons received Christ and in Costa Rica, Nicaragua and Honduras one hundred seven accepted the Lord as savior. God manifested His Glory everywhere we went. God healed, delivered and performed many miracles in both crusades.

India Missions Trip Recap June 21, July 12, 2000

From June 23 through June 27, 2000 David Madison taught the subject of spiritual warfare in El Shaddai School of Disciples in Gulbarga, India. The students received twenty-six hours of intensive teaching. Each student had hands laid on them and received a personal word from the Lord after the teaching sessions were completed and prior to receiving their diplomas.

Ministry was conducted in the following four cities, Gulbarga, Belguam, Sanqueshwar and Bombay. The primary religion in India is Hindu. However there are over 30,000,000 Gods in India. Christians are being persecuted and many are being martyred. David had a close call in Bombay. The Anti-Christians shut down a scheduled service in Bombay. They turned off the power to the building where he was scheduled to minister including the P.A. system and lights. As David arrived at the service he was met by two believers who advised him to not go into the building. The police were called and the meeting was canceled. God intervened and prevented possible harm.

These are some of the testimonies of what God did:

- A man with a growth in his nose was instantly healed. The tumor completely disappeared while he was being prayed for.
- A blind lady was healed. She could not see when she came up for prayer. After prayer, fingers were held up in front of her and she counted the number of fingers being held in the air.
- A man with aids was prayed for on June 29. He returned to the service Saturday evening 7/1/00 and gave this testimony. He had been given a few months to live. After prayer he returned to the hospital and was re-tested for aids. There was no trace of aids in his body. The doctors said he was completely healed.
- Demon possessed woman was delivered. Several pastors had prayed for her to be delivered with no success. She was brought to the service and the demons manifested. It took four people to subdue her. Hands were laid on her and the

demon came out instantly.

- A woman with a growth under her eyelid was instantly healed.
- There were many Words of Knowledge and God healed every person.
- In one service the man leading worship was prayed for at the start of the meeting. He kept trying to get up in the service and kept falling down during the entire service.
- Many felt the power of God and were refreshed.
- In one service fifteen pastors were prayed for and prophesied to. All were slain in the spirit. The presence of God was so strong it took two hours to cool off.

Prince of India June 30, 2000

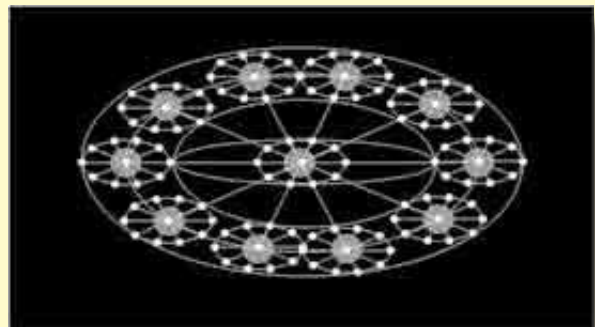

Sometimes the Lord reveals the ruling principality over a nation or region. The Lord did so in India.

David was in prayer for six hours in Belguam, India. He saw above India a face. As I watched the face it changed from one face to another many times before my eyes. The face was high in the heavens in a dark surrounding (atmosphere) or domain of darkness. (Col 1:13). The first face I saw was the face of a Black man. Then the face changed to a woman with long hair. Then the face changed to a Buddha face. It kept changing before my eyes faster than I could tell what kind of face I was looking at. I was impressed that this was the ruling prince or Spirit over India, but I could not tell what it was. It was looking like whatever it wanted or needed to be. I was praying on how to bind it but I could not tell what to call it. Chameleon) lizard) came to mind but that did not agree with my spirit. The next thing I saw was on god in the center of a spoked wheel with ten points on the wheel. Each of the 10 points was a god and the 11th in the center was the God of Hinduism. Each of the 10 gods in the outlying circle of power was given equal authority and power as the center Hindu God. The Primary Hindu God gave up equal power to the other 10 gods (Set up a confederacy of Gods) in order to have more power and authority for all 11. There

was no one God in authority over the Nation. The primary God (Hindu God) gave up absolute authority in order to maintain a more powerful God over the Nation of 1.1 Billion people.

If I say "Who is God"? - Anyone of the eleven can say "I am", just like the Lord Jesus when He said "I am". If I say "Who is in Authority"? - Anyone of the eleven can say, "I am". If I say "What is your Name"? - Anyone of the eleven answers "I am the God of the eleven" "Who are you"? - The god you need. "Which one is in Authority"? - They answer, "I am". I say Who are you? They say "the God you need". You can never tell who is in authority because authority is shared absolutely by the eleven.

Authority is shared to gain more power and authority. The original agreement of the one Hindu God (Original Authority) and the other ten was this: the ten said give us your (equal) authority and power and we will acknowledge you leadership and not challenge you. Just let us share the authority. The Hindu God decided it was good because when it came to binding and loosing no one would ever be able to bind the head spirit. If I bind the Spirit of Hinduism then the others say "he is not in charge - I am - the God of the Eleven". If I bind any other spirit then they say "He is not in charge, the God of the eleven is in charge". The Eleven formed a confederacy based on unity just like the antichrist kingdom will. There is no way to ever remove them from power by binding even if you know their name "God of the Eleven or God of Unity" because of the combined power given to each other. As an example: I bind Muslim spirit of Buddha spirit- then they say "I am not in authority, the God of the Eleven of the God of Unity is in

Schematic of Prince of India

Control. There is too much combined strength to bind them. The eleven each has ten gods they have agreed to share their authority and power with. There are five above each of the eleven and there are five beneath each of the eleven. They are floating in the heavens. That creates a buffer above and beneath the eleven and protects the one in the center. (God of Hinduism). This is the only one of the eleven that I know the name of. Binding him can not touch him. They have set their kingdom up as a prototype of the antichrist kingdom, which is to come to see if the power and authority given to one by the many is strong. Even though the Hindu God rules he rules by consent or agreement or unity.

Luke 8:30 Jesus asked him, saying, "What is your name?" And he said, "Legion," because many demons had entered him. This is combined authority.

Luke 11:14-26 And He was casting out a demon, and it was mute. So it was, when the demon had gone out, that the mute spoke; and the multitudes marveled. 15But some of them said, "He casts out demons by Beelzebub, the ruler of the demons." 16Others, testing Him, sought from Him a sign from heaven. 17But He, knowing their thoughts, said to them: "Every kingdom divided against itself is brought to desolation, and a house divided against a house falls. 18If Satan also is divided against himself, how will his kingdom stand? Because you say I cast out demons by Beelzebub. 19And if I cast out demons by Beelzebub, by whom do your sons cast them out? Therefore they will be your judges. 20But if I cast out demons with the finger of God, surely the kingdom of God has come upon you. 21When a strong man, fully armed, guards his own palace, his goods are in peace. 22But when a stronger than he comes upon him and overcomes him, he takes from him all his armor in which he trusted, and divides his spoils. 23He who is not with Me is against Me, and he who does not gather with Me scatters. 24" When an unclean spirit goes out of a man, he goes through dry places, seeking rest; and finding none, he says, 'I will return to my house from which I came.' 25And when he comes, he finds it swept and put in order. 26Then he goes and takes with him seven other spirits more wicked

than himself, and they enter and dwell there; and the last state of that man is worse than the first."

Satan's Kingdom is not divided it is in unity.

Rev. 17:12-17 The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. 13These are of one mind, and they will give their power and authority to the beast. 14These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those who are with Him are called, chosen, and faithful." 15Then he said to me, "The waters which you saw, where the harlot sits, are peoples, multitudes, nations, and tongues. 16And the ten horns which you saw on the beast, these will hate the harlot, make her desolate and naked, eat her flesh and burn her with fire. 17For God has put it into their hearts to fulfill His purpose, to be of one mind, and to give their kingdom to the beast, until the words of God are fulfilled.

The Antichrist Kingdom is a kingdom of combined authority by agreement. They have one mind and they agree to give their power and authority to the beast.

I prayed for a long time on how to bind him. I could find no way in the spirit to do it. The Lord showed how he was going to do it. First I saw a Shaft of Light from Heaven penetrating the darkness. The Light came to Belguam. This set up an angelic beach head or front in which the angels will begin to go forth under the canopy of darkness and they will advance on Satan's kingdom in and around Belguam. I did not bind the Spirit over Belguam. I just blew open a window from Heaven in order that the battle will advance more rapidly from this place. The way the Lord plans to destroy this kingdom of Gods' over India is this. The Lord rolled back the heavens between Heaven and Earth. He sent His angels to do that. Once the heavens between Heaven and Earth were opened the Lord displayed His awesome power. The Lord sent eleven flashes of Light from Heaven so powerful that the Lightning paralyzed all eleven-demon spirits in the heavens.

2 Thes. 2:8 And then the lawless one will be revealed, whom the Lord will consume with the breath of His mouth and destroy with the brightness of His coming.

2 Samuel 22:15 He sent out arrows and scattered them; Lightning bolts, and He vanquished them.

Psalms 18:14 He sent out His arrows and scattered the foe, Lightnings in abundance, and He vanquished them.

Psalms 144:6 Flash forth lightning and scatter them; Shoot out Your arrows and destroy them.

The forces of darkness were so weakened that they began to drift from their perch in heaven down to the Earth; however, they did not lose immediate rule. They were weakened so severely that they could no longer hold their position of power and began to drift down toward the earth from their position of power. I have only a sensation of time and can not accurately discern time in the spirit realm but it seemed to take several years before their hold was completely broken. In the process of this time when they are coming down out of the heavens the gospel is going to gain momentum. Evangelism is going to increase in India faster than ever before. By not removing the Prince of India completely from the heavens this allows the Christians time to occupy territory the devil is having to give up and also keeps the current weakened Ruling Prince of India in power in this weakened condition. Satan will not replace this Prince as long as he still occupies power. If he were cast down then the Prince of India would be replaced with another strong prince. I can see the divine providence of God in all this. Satan's kingdom is exposed and destroyed in India. The Kingdom of God will advance and occupy territories released by the Prince of India. Now is the time to advance because the Victory is the Lord's. Satan's kingdom over India is destroyed.

Central America Missions Trip Recap

July 25 through August 14, 2000

Costa Rica

David and Pam Madison ministered in three

churches in Costa Rica in the cities of Aguas Zarcus, Fortuna and Quesada. Thirty-one persons received the Lord Jesus Christ as their savior.

These are some of the actual testimonies of how God moved:

- A man with a herniated disk - Pain was going down his leg. All the pain left his body.
- A lady with a breast tumor- The tumor completely disappeared.
- A medical doctor with flat feet and one leg much shorter than the other - God put arches in feet and grew out his leg.
- Arthritis in man's right knee was healed. The man was jumping all around, moving his leg freely.
- Asthma and breathing pains - A man healed and could breath freely with no pain.
- Lady with ulcer and gastritis - all pain left her body.
- Boy about ten years of age - a growth on the left side of his neck disappeared.
- A lady with tumor in the womb She was scheduled for surgery in three days- she felt as though the tumor was being pulled from her body.
- Another man was healed of a herniated disk
- Girl with growth in her right ear - the growth disappeared
- A man healed of arthritis in the joints
- A man healed of tumor on his back after 18 years with the tumor. This same man was set free from demons. The man was prayed for in the beginning of the service and the deliverance lasted about 1-1/2 hours while other ministry was taking place. He was slain in the spirit and while he was down he kept trying to tear

his clothes off. He pulled out a pack of cigarettes and tore them in half and threw them all over the front of the church. Later he said he was so hot he could not stand it and was trying to take his shirt off. While on the floor he had a vision of a dark man with a sword and the dark man (demon) was telling him to kill me. The man being delivered stood up and came at David. The devil was rebuked and the man fell back on the floor once again. This time in the vision an angel of the Lord told the man to take the sword and kill the dark man. The man being delivered took the sword and killed the dark man (demon) and was completely delivered. This man had been in prison for 9 years and the tumor had been on his back for 18 years. He said previous to this that he did not believe all this but now he knows God is real. He rose 2-3 times and tried to come at David during the deliverance but the Lord knocked him down each time. He felt the fire of God so hot that he kept trying to take his shirt off while he was on the floor.

- We spent the night in the home of a deacon in the church in Quesada. The deacon's wife had pink eye. We prayed for the lady that evening before we went to bed. The next morning her eye was healed of the pink eye.
- God's presence was so strong that many people during these services were overcome with the Joy of the Lord and were so drunk in the Spirit they could not walk for hours.
- The Lord always provided all the pastors in every church with a prophetic word of encouragement.

Nicaragua

David and Pam Madison ministered in nine churches in Nicaragua in the cities of Managua, xxxxxxx, and Coconut Grove. Fifty persons received the Lord Jesus as their personal savior.

Occasionally the Lord reveals the ruling principality over a nation. The Lord did so in

Nicaragua at a radio broadcast.

Spirit Over Nicaragua

August 1, 2000

I saw a monkey with two large fangs and 2 large wings. Each wing was as large as the monkeys' body. The fangs were to drink the blood of people that were killed where he went. His name is Destroyer. He flew instantly to various places throughout the country and caused disturbances and bloodshed. Destroyer feasted on the blood of those killed by the disturbances. He flew instantly from one place to the other like a dragon fly. You never knew where he was going to be. It is impossible to locate him in the heavens in the spiritual realm because he was never in one place. You could only tell where he had been because of the evidence of destruction caused by his presence. We were ministering at a radio broadcast when the Lord revealed this. The Lord showed how to break the spirit's power over the nation of Nicaragua. The Lord said to bond with the immediate audience of 500 in attendance plus the radio audience throughout all Nicaragua. The radio broadcast was live throughout all Nicaragua. The church in Nicaragua should repent of their sins, break the power of Satan off themselves and their immediate family. Then the people present should bind Satan off the persons on the right and then the persons on the left. Then we should pray a prayer of agreement Matthew 18:18, Lev 26:8, and Deut 32:30 and break the power of the destroying spirit over Nicaragua. The church will hit the Spirit with the lightning bolts of the Lord (arrows of the Lord) from the earth and the Lord will simultaneously hit the Spirit with the Lightning Bolt of the Lord from Heaven. The Lightning bolts of the Lord from the earth would rise from all over Nicaragua at the same time and the Lightning bolt from the Lord will descend from Heaven and be as large in diameter as all of Nicaragua. We would smash the spirit in the heaven and break his power. We need the group at the radio station plus the audience because this spirit had no natural habitat and could not be located in the heavens. He could be anywhere at any given time. The church in Nicaragua had called a day of fasting and prayer because this was a Catholic

pagan holiday. The unchurched were worshipping a Catholic deity and the whole nation was on holiday and were celebrating. The Christians had called a fast to break the power of the effects of the pagan holiday. The Lord impressed how Daniel in Daniel 10 had used a 21 day fast to receive the interpretation to a vision he had. This fast broke the power of the Prince of Persia (demon spirit).

The radio broadcast was cut short and we were taken off the air before we could pray. I have been meditating on this and the Lord knew this would happen before He revealed this. If the destroying spirit had been cast down then Satan would have replaced him immediately. Since he is only wounded the Destroyer still retains his position of authority but he has been weakened severely. This will give the church time to rise up and take dominion while the spirit is weakened. Just the way the children of Israel were allowed to only occupy portions of their inheritance until the whole nation was occupied by the Lord's forces. I believe this must have been the plan of the Lord all the time.

The Lord will give this nation a Godly government, and will begin to allow more and more use of the means of mass communication for the work of the Lord. This will be a gradual transition as the Lord did with the nation of Israel.

Testimonies of what the Lord did in Nicaragua

- A little girl around 10 years of age had been deaf and dumb from birth. The mother of the child met us on the way out of the broadcast. Prayed several times before her ears were completely opened. The mother was in tears for her child.
- A woman's face paralyzed on the left side was healed
- A woman with breast cancer was healed. The lump completely disappeared.
- A lady with rheumatoid arthritis was healed.
- The Lord healed a woman's knee.
- The Lord healed the back pain, chest pain,

migraine headache, lower back and neck pain and many other infirmities of different persons.

- Young man with his hand and wrist deformed was healed.
- Too many other healings to list.
- God called a man into the ministry with a word of prophesy. The man laid on the floor and wept the whole service.
- Many people were set free from demons. The demons manifested and cried out as they came out of the people.

Honduras

Pam and I ministered in San Pedro, Honduras in Evangelistic Ministries of God Church. We conducted nine services. Twenty-six persons received Jesus as their savior in Honduras.

Testimonies from the people of Honduras.

- The fire of God and the oil of gladness manifested on many persons in the services.
- The Lord delivered a young lady as the demons manifested. She was having dreams and the demons were taking her in the dreams. She came seeking help. The Lord set her free.
- Man with asthma was healed after 32 years.
- Man with lower back pain was healed.
- Man had surgery twice on the 4th and 5th vertebrae in the upper neck was healed.
